

## Hygiene Concept

School Of Voice is open again for private lessons and lessons in groups of up to five people. Singing lessons and lessons with wind instruments may only be given as individual lessons. Maintain physical distancing at all times. Wear a mask at all times (voice lessons are exempt). Stay home if you feel unwell.

### Required Measures

#### 1. Maintain Physical Distancing 2m/6ft

- Only one person in the entrance area.
- Keep a minimum distance of 2m (6 feet) between you and any other person.
- A minimum distance of 3m (9 feet) must be observed during singing lessons and lessons with wind instruments.

#### 2. Wash Your Hands Frequently

- Students and teachers are encouraged to disinfect their hands every time they enter and leave the building.
- Regularly and thoroughly wash your hands with soap and water, and rub your hands with an alcohol-based hand sanitizer.

#### 3. Avoid Touching Eyes, Nose, and Mouth

- Hands touch many surfaces and can pick up viruses. Once contaminated, hands can transfer the virus to your eyes, nose or mouth.

#### 4. Wear a Mask at All Times

- Students and teachers are required to wear face masks when entering the building and to wear masks in all generally accessible parts of the building (corridor, waiting areas and bathrooms).
- The masks can be taken off during the voice lessons and wind instrument lessons.

#### 5. STAY HOME IF YOU FEEL UNWELL

- You are not allowed to enter the building of the music school with illness symptoms of any kind. Instead, join a digital lesson from the comfort of your home.

## **6. Disinfection of the premises**

- Door handles, music stands and other frequently used objects are to be disinfected after each student, alternatively touched only by the teacher.
- More frequent cleaning rhythms and disinfectants are also planned.

## **7. Use of the instruments**

- Simultaneous sharing of an instrument is not possible during the pandemic.
- Bring your own instrument (no pianos, please :-)
- Especially during piano lessons, the required minimum distance must be observed. The piano lessons will be taught with two instruments at the same time.

## **8. Ventilation of the classrooms**

- After each lesson, teachers must air the classroom extensively.

## **9. Online-Teaching Continues**

- Online teaching will continue to be offered as an alternative.
- If you feel uncomfortable leaving your home, or if you belong to a risk group, enjoy a digital lesson from the comfort of your home.

School Of Voice
